

# What's In It?

## The Concerned Parent's Guide to Young Adult Literature

- ◆ Do you wish you could screen the books your teen wants to read but don't have the time?
- ◆ Do you suspect that today's YA literature is nothing but trash, so you discourage your teen from reading any of it?

Or...

- ◆ Do you allow your teen to read just about anything and wonder if you're doing the right thing?

Don't wonder anymore! Let *What's In It* be your go-to book review resource for leading your teen to great reads that support your family's values. It's unique, easy, and FREE!
